RECITALS

WHEREAS, CenturyLink owns or leases certain premises (the "Premises") which are described in certain Collocation Schedules attached hereto and made a part hereof; and,

WHEREAS, Customer desires to have access to certain of the Premises to install and operate its telecommunications equipment and cabling (the "Equipment") and to interconnect the Equipment with CenturyLink's telecommunications network (the "CenturyLink Network"); and,

WHEREAS, CenturyLink is willing to grant Customer a license to occupy a portion of the Premises upon the terms and conditions of this Agreement;

NOW, THEREFORE,

In consideration of the mutual covenants and promises contained herein, the Parties agree as follows:

I. LICENSE. CenturyLink hereby grants to Customer a non-exclusive license to locate, install, maintain, monitor, operate, replace, repair and remove (collectively "locate") the Equipment, in space on the Premises ("the Space"), using electrical power in the Space ("the Power"), the Equipment, Space and Power all as more fully described on each attached Collocation Schedule, attached hereto, together with any exhibits, all made a part hereof by reference. The Space and Power accepted "as-is, where-is" by the Customer.

II. CUSTOMER'S UNDERTAKINGS. CenturyLink and Customer agree as follows:

- A. Customer shall arrange for the inside delivery of each unit of the Equipment to the Space at Customer's sole cost and expense.
- B. Customer shall provide CenturyLink with reasonable prior notice of the actual delivery date of the Equipment.
- C. Customer shall install the Equipment at its sole expense and at no harm to the Space or the Premises, and without interfering in any way with CenturyLink's use of the Premises for its own purposes. Customer shall install the Equipment at the premise in a safe condition acceptable to CenturyLink so as not to physically conflict or electrically interfere with

the facilities placed therein or thereon, by CenturyLink or others. All installations shall be made in compliance with telecommunication industry standards, NEC and OSHA requirements. Customer's Equipment shall be placed in accordance with CenturyLink's requirements and specifications. Any damage resulting from said installation shall be repaired promptly by Customer at its expense. It is further understood by and between the Parties that only authorized engineers or employees of Customer, or their approved contractors, shall be permitted to enter the CenturyLink Premises for purposes of Equipment installation.

- D. Customer shall utilize only CenturyLink facilities for the provision of its telecommunications services.
- E. Customer shall be responsible for obtaining at its own expense any and all local, state, and federal governmental permits and authorizations required for the construction, installation, maintenance, operation and/or repair of its Equipment.
- F. Customer shall be liable for the payment of any fine or penalty arising out of Customer's use of the CenturyLink Premises.

III. TERM. The term of this Agreement shall commence on the date first set forth on each individual Collocation Schedule (the "Commencement Date") and, unless sooner terminated in accordance with the provisions of this Agreement, shall be coterminous with and governed by the Interconnection Agreement ("ICA") between CenturyLink and Customer that governs the relationship between the Parties in the State of Illinois. Unless otherwise terminated pursuant to applicable terms herein, the term of this Agreement shall follow any extension of the term of the ICA between the Parties.

- A. Effect of Termination. Termination of this Agreement does not absolve Customer's obligation for payment and/or reimbursement of any and all costs, whether recurring or non-recurring, owed to CenturyTel for provisioning of the Space and Power. Further, in the event that Customer has requested special, ICB-type construction and/or equipment to be provided by CenturyTel, any and all costs associated therewith shall be paid by Customer to CenturyTel by the termination date of the Agreement, if not previously remitted at the time of provisioning.
- B. Termination for Cause. In the event of failure of either Party to comply with any material obligation of this Agreement, the other Party shall have the right to terminate this Agreement at any time by giving thirty (30) days notice in writing of its intention to do so, specifying the default complained of. At the expiration of said 30 days, unless the Party in default shall have made good such default, the other Party shall have the right at its election to terminate this Agreement forthwith.
- C. Other Circumstances. This Agreement shall terminate upon the expiration or termination of the authority and/or right of CenturyLink to occupy CenturyLink's Premises, including, but not limited to, the sale or exchange of CenturyLink's Premises.

If by virtue of fire or other casualty, CenturyLink's Premises should become damaged or unusable by Customer for Customer's Equipment, or if Customer's Equipment should become so damaged as to be unusable by Customer, then this Agreement may be terminated immediately by mutual agreement of CenturyLink and Customer.

- D. End of Term. Upon termination of this Agreement, Customer shall promptly remove the Equipment from the Space. Customer shall surrender the Space in good order and repair, ordinary wear and tear and casualty excepted.
- E. Holdover. If, after expiration of the Term, Customer's Equipment remains located in the Space, and Customer continues to pay the applicable fee(s) without a written agreement, then such location of Customer's equipment shall be regarded as a month-to-month arrangement, at a monthly fee, payable in advance, equivalent to the last monthly fee paid under this Agreement, and subject to all the terms and conditions of this Agreement, with the exception that either Party shall have the right to terminate this Agreement by giving at least thirty (30) days prior written notice to the other Party.

Associated with each Collocation Schedule will be Facility Drawings, identified as "Exhibit 1"; Special Terms and Conditions (if applicable), identified as "Exhibit 2" and Prices and fees for collocation under this Agreement are contained in attached price schedule ("Price Schedule")., identified as "Exhibit 3." Collocation Schedules for additional collocation sites may appended to this Agreement upon being dated and signed by CenturyLink and Customer and these Collocation Schedules, together with the terms of this Agreement, shall collectively constitute the entire agreement between the Parties with respect to Collocation Space.

V. MAINTENANCE OF EQUIPMENT BY CUSTOMER.

- A. Customer shall, at its own expense, maintain the Equipment while located in or on the Space in a safe condition and in good repair, and in a reasonable manner suitable to CenturyLink so as not to conflict with any use of the Premises by CenturyLink. The Equipment is and shall remain the personal property of Customer notwithstanding the fact that it may be affixed or attached to the Premises, and shall, during the term of this Agreement or any extension or renewal thereof, and upon termination thereof, belong to and be removable by Customer. Any damage resulting from such removal shall be repaired by Customer at its expense.
- B. The Parties agree that Customer is the owner of the Equipment and that CenturyLink shall have no right, title or interest therein, except as expressly provided in this Agreement. Upon the giving of thirty (30) days advance notice to Customer, CenturyLink may require Customer to

relocate the Equipment to other space within the Premises. In such event, CenturyLink shall reimburse Customer for the reasonable costs of such relocation.

VI. ACCESS. CenturyLink will permit Customer's employees, agents, consultants and contractors to have direct access to Customer's Equipment and Space on a twenty-four (24) hours a day, seven (7) days a week basis, subject to the following terms and conditions:

- D. Use of Common Areas. Where the access to Customer's Equipment and Space is through a common building entrance and/or other common areas of the Premises must be used to access Customer's Equipment and Space (e.g., elevators, unrestricted corridors, etc), Customer shall be afforded reasonable use of such common areas or facilities. However, CenturyLink may restrict access to such areas or facilities on grounds of security, and CenturyLink may require that a CenturyLink employee accompany Customer's personnel or representatives. CenturyLink shall impose any such requirement in such a manner so as not to unnecessarily delay or hinder access to Customer's Equipment and Space.
- E. Notice of Construction, Repair or Removal. Customer shall provide CenturyLink at least ten (10) calendar days prior notice of any construction, installation or removal of Customer's Equipment, as well as any scheduled maintenance or upgrade to any of Customer's Equipment that (a) involves the installation, repair or removal of connecting cables located in a CenturyLink equipment room, (b) might require drilling into any walls, ceiling or floor of CenturyLink's Premises, or (c) other substantive construction work.
- F. Right to Deny Access and/or Stop Work. CenturyLink reserves the right to deny access to CenturyLink's Premises to any of Customer's employees, agents, consultants or contractors due to such person or entity's lack of required authorization or qualification, falsification of records, violation of CenturyLink's reasonable fire, safety or security

practices and policies, or for other reasonable cause. In addition, CenturyLink reserves the right to immediately stop any or all work or other activities on CenturyLink's Premises that violates any of its reasonable safety standards, or as deemed necessary by CenturyLink in its reasonable discretion to prevent personal injury or property damage.

G. CenturyLink Inspections. CenturyLink shall have the right, upon not less than twenty-four (24) hours prior written notice to Customer, to access Customer's Equipment and Space to perform periodic inspections to ensure compliance with (a) any of CenturyLink's installation, safety and security practices and policies and (b) any and all applicable regulations and standards of OSHA, the Environmental Protection Agency or any other governmental authority related to fire, safety, health and/or environmental safeguards.

In the event that the Premises is not operated by CenturyLink on a twenty-four (24) hours a day, seven (7) days a week basis, and it is necessary for CenturyLink to enter Customer's Space and access Customer's Equipment in accordance with this Emergency Access provision, then the applicable CenturyLink dispatch procedures and charges shall apply.

I. Access Cards/Identification. CenturyLink shall provide Customer access cards to the Premises for a reasonable number of Customer appointed individuals. All Customer employees, agents, and contractors requesting access to the Premises are required to have a photo identification card, which identifies the person by name and the name of the Customer. The ID must be worn on the individual's exterior clothing while on the Premises.

Customer is required to immediately notify CenturyLink by the most expeditious means, when any Customer employee, agent or contractor with access privileges to the Premises is no longer in its employ, or when access cards are lost or stolen or not returned by an employee, agent or contractor no longer in its employ. Customer shall immediately retrieve and return to CenturyLink all access cards upon termination of employment of an employee. Customer shall be responsible for the replacement cost of access cards when lost or stolen or upon failure of it or its employee, agent or contractor to return them to CenturyLink.

Time and material charges for operations, maintenance and other support services provided by CenturyLink, if any, will be billed monthly by CenturyLink and paid monthly by Customer promptly upon receipt of the CenturyLink invoice. Such services will be charged at the rates in Exhibit 3 attached hereto, as they may change from time to time during the duration of this Agreement. Charges for utility service provided by CenturyLink shall also be billed and paid monthly by the Customer. In the event that the Commencement Date or the termination date of this Agreement are not on the first day of the month, then the fees for such month shall be pro-rated based upon a thirty (30) day month.
- B. Manner of Payment. All fee payments shall be made payable to CenturyLink and sent to the following address:

Gallatin River Communications d/b/a CenturyLink
P.O. Box 6000
Monroe, Louisiana 71203

Customer shall owe a late charge of twenty-five dollars (\$25.00) with respect to each Agreement fee that is not received by CenturyLink within ten (10) days of its due date ("delinquent payment"). The Parties hereby agree that this sum represents a fair and reasonable estimate for the cost that CenturyLink will incur by reason of such delinquent payment. In addition, each delinquent payment shall bear interest from the due date until paid at the rate of one and one-half percent (1.5%) per month, or, if lower, the highest rate allowed by law.

- IX. INDEMNIFICATION. Customer shall defend, indemnify and hold harmless CenturyLink, its agents, contractors, officers, directors and employees from and against any and all claims, including injury or death to persons (including claims from employees of Customer), or damage to property, both real and personal, which may arise out of: (a) the presence of Customer's Equipment, employees, contractors or agents at the Premises or in the Space; (b) the installation or removal of the Equipment from the Space; (c) any inherent defects in the Equipment; and (d) the negligent or intentional acts or omissions of Customer, its agents, employees or contractors.

X. CENTURYLINK'S LIABILITY. NO LIABILITY SHALL ATTACH TO CENTURYLINK FOR DAMAGES ARISING OUT OF THE PERFORMANCE OF THIS AGREEMENT OR ITS PROVISION OF SERVICES HEREUNDER IN THE ABSENCE OF WILLFUL

MISCONDUCT OR GROSS NEGLIGENCE. SUBJECT TO THE PROCEEDING PROVISION AND TO THE PROVISIONS FOLLOWING, CENTURYLINK'S LIABILITY ARISING OUT OF THE PERFORMANCE OF THIS AGREEMENT OR ITS PROVISION OF SERVICES HEREUNDER SHALL NOT EXCEED AN AMOUNT EQUAL TO THE PROPORTIONATE CHARGE FOR THE SERVICE BY CENTURYLINK FOR THE PERIOD DURING WHICH SERVICE WAS AFFECTED. IN NO EVENT SHALL CENTURYLINK BE LIABLE TO CUSTOMER OR ANY OTHER PERSON, FIRM, OR ENTITY IN ANY RESPECT, INCLUDING WITHOUT LIMITATION LIABILITY FOR CONSEQUENTIAL, SPECIAL, INCIDENTAL, ACTUAL, PUNITIVE OR OTHER DAMAGES, OR FOR ANY LOST PROFITS OF ANY KIND OR NATURE WHATSOEVER, ARISING OUT OF, RESULTING FROM, OR IN ANY WAY RELATED TO THIS AGREEMENT. CENTURYLINK MAKES NO WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO SUITABILITY OF USE, COMPLETENESS, MERCHANTABILITY OR FITNESS FOR PURPOSE OF THE SERVICES PROVIDED OR CENTURYLINK'S PERFORMANCE HEREUNDER, OR AS TO ANY OTHER MATTER, ALL OF WHICH WARRANTIES ARE HEREBY EXPRESSLY EXCLUDED AND DISCLAIMED.

Such insurance policies shall, without limitation, cover claims resulting from the operations of subcontractors and Customer shall require any and all subcontractors to procure and maintain in good standing the same types of insurance required by Customer specifically including contractual indemnification in favor of CenturyLink and Customer.

Property and liability policies to be carried by Customer under this Agreement shall name CenturyLink as an additional insured. A certificate of such insurance shall be delivered to CenturyLink within ten (10) days after execution of this Agreement by Customer. Renewals thereof shall be

delivered to CenturyLink at a minimum of ten (10) days prior to the expiration of any such policies. Each policy shall contain an endorsement requiring thirty (30) days written notice from the insurance company to CenturyLink prior to cancellation or material change to the policy.

Further, Customer waives and will require all of its insurers to waive all rights of subrogation against CenturyLink (including CenturyLink's parent Corporation and any other affiliated and/or managed entity), its directors, officers and employees, agents or assigns, whether in contract, tort (including negligence and strict liability) or otherwise.
